1957-1964 Massey-Ferguson MF 50

Serial Number: "SGM500412" --- Production years: 1957 - 1964
(it's unclear which year this one was built)

Technical Specifications on this tractor from TractorData (click)
WAS IN STORAGE FOR 9 YEARS - DOES NOT RUN
(haven't tried much to get it to run, either)

Parted out, the parts will probably bring fetch well over $2,000.

Rather sell in one piece and be done with it - asking $1,500. Freddie (214) 280-3733

has rare tool pocket in fender (see pictures)
front grille swings open for radiator service (see pictures)
has alternator installed (see pictures)
the seat is good - most rusted away long ago (see pictures)
